

Medscape Featured Article of the Week

If your recent e-mail is another wonderful heartfelt response to Medscape's FEATURE OF THE WEEK posting of my AJHP commentary, "Blowing the whistle: A pharmacist's vexing experience unraveled" (<http://www.medscape.com/viewarticle/548036>) please accept

my sincere apologies for this impersonal reply. The response has been so warmly overwhelming, I am unable to respond to you personally right away. I promise however to read each and every comment thoughtfully and you can be sure I will personally respond to you as soon as I can catch up. In the mean time, I thought it would be nice to start a BLOG on www.vawhistleblower.com for all of you to share your thoughts and comments. The direct link is <http://www.vawhistleblower.com/BLOG/>. PLEASE consider posting your e-mail or similar comments...a personal reply will be forthcoming to you via e-mail very soon!

If you are writing for another reason, I'll get back to you by e-mail or telephone.

Regards,
Dr. Jeffrey Fudin

Congratulations Jeffrey!!!!
We are both alumni of Medscape.
As coordinator of the Semmelweis May 2007 meeting, I would greatly enjoy/appreciate your presence to give the membership a powerpoint presentation on your situation.

Please let me know if you can oblige.

Sincerely

Roland Chalifoux Jr., DO
